WELCOME

TO THE RIATA SHOWCASE HORSE SALE

On behalf of the teams at Riata, WSTR, and South Point Casino, welcome to the third annual Riata Showcase Horse Sale.

Last year's second sale proved why it fits so naturally alongside the Ariat World Series of Team Roping Finale. With 59 head averaging $52,522 and a packed house at the South Point, the sale reflected exactly what Riata set out to do—connect real rope horses with the people who use them.

These results proved that South Point during the WSTR Finale is the perfect stage for buyers and sellers of competitive Riata rope horses. Once again in 2026, Riata is the highest-paying Quarter Horse incentive program across all disciplines—plenty of reason to get in the game.

Last year the top five horses averaged $110,000, the top ten averaged $90,000, and bidding stayed active from start to finish. But the middle of the market stayed healthy all day, which is often the clearest indicator of a sale's real strength. With that said, there was strong action in the $30,000–$40,000 range and several horses selling in the twenties.

One unique highlight of this sale is the $100,000 Showcase Horse Sale Incentive. Each year, this bonus will be awarded to the top-earning horse at the Riata Championships purchased through this sale. All horses sold remain eligible for future years. Repurchased horses are eligible for one year. Sellers understand that full commission applies to repurchases, ensuring only serious sale horses make the lineup.

Congratulations to this years' winner of the Showcase Horse Sale Incentive, JR Caldwell riding SF Mr Bonnie Bay. JR was the highest earner at $131,150 from checks across several ropings including the 12.5 Riata, 9.5 Riata and 10.5 RHR. The Showcase bonus brought his total haul to $231,150.

We sincerely hope that the Riata Showcase Sale is exactly what it set out to be: a straightforward team roping horse sale with honest horses, active bidders, and real-world validation. It should continue to fit seamlessly into the $20M Finale week, reminding everyone that this sport is built from the middle out—not the top down.

We're excited to present Riata rope horses to committed buyers. Thank you for being here and making this event a success!

TERMS & CONDITIONS

By registering for a bidder number or bidding at the Riata Showcase Horse Sale (the "Sale"), every buyer agrees to these terms. All horses are sold AS IS, and any post-sale dispute is solely between buyer and seller.

DEFINITIONS

"The Sale" means Riata Showcase Horse Sale, its owners, management, auctioneer, clerks, employees, agents and affiliates. "Buyer" means anyone who registers for a bidder number or places a bid, in person, online, by phone or through an agent. "Seller" means the legal owner or consignor of a horse. "Horse" means any horse listed, previewed or offered at the Sale.

"Released Parties" means (a) the Sale, Riata Buckle, LLC, and Equine Network, LLC, including the World Series of Team Roping ("WSTR"), and their parents, subsidiaries and affiliates, and each of their members, managers, equity holders, partners, officers, directors, employees, volunteers, contractors, agents, attorneys and other representatives; (b) the owners, operators, managers, lessors and lessees of the South Point Equestrian Center, Las Vegas, Nevada, and any associated venue or facility used for the Sale; (c) Sale and event organizers, officials, auctioneers, announcers and sponsors; and (d) the past, present and future successors and assigns of each of them.

BIDDING AND REGISTRATION

BIDDING. Each horse will be sold to the highest bidder. Consignors may bid on or repurchase their own horses, and any such bid will be subject to the same terms. The auctioneer may reject any bid, set or change bid increments, and withdraw any horse from the Sale.

REGISTRATION. Every bidder must register and present valid photo ID before bidding. The Sale may approve or refuse any bidder number request, or revoke a bidder number, at its sole discretion. The person registered to a bidder number is personally responsible for every purchase made under that number, including bids placed for another person or entity. Placing a bid is acceptance of these terms.

ONLINE AND PHONE BIDS. Bids placed online, by phone or through an agent are binding on the same terms. Online bidders must register with the Sale's bidding platform, accept its terms of use and authorize a $1,000 hold on a credit card before bidding. The hold is not a charge and is released after the Sale once the account is paid in full. Online bidders are responsible for every bid placed from their account or device, whether intended or not. The Sale is not responsible for dropped connections, technology failures or missed bids.

BIDDING DISPUTES. The auctioneer settles any dispute over bids. The auctioneer may reopen bidding or resell the horse, and that decision is final.

ANNOUNCEMENTS. Announcements made from the auction block take precedence over the catalog and all other printed or online material. Buyers are responsible for hearing announcements and checking the posted update sheet.

PAYMENT, TITLE AND RISK OF LOSS

PAYMENT. Payment in full is due on sale day, in U.S. dollars, unless the Sale approves other arrangements in writing before the Sale. All payments must be made to the Riata Showcase sale clerk. Buyers may not pay a seller directly, and any such payment does not satisfy the buyer's account. Accepted forms: cash, cashier's check, wire transfer, approved personal or business check, credit card with a 4% convenience fee. A returned check carries a $200 fee and may be referred for collection. The Sale may deduct any amount a seller owes the Sale from that seller's proceeds.

TITLE. Title passes to the buyer only when payment has cleared in full. No horse, papers or release will be issued until then.

RISK OF LOSS. All risk of loss, injury, illness or death passes to the buyer at the fall of the hammer, whether or not the horse has been paid for or removed.

DEFAULT. If a buyer fails to pay, the Sale may, at its discretion, cancel the sale, resell the horse at public or private sale, or take any other lawful action. The defaulting buyer is liable for any shortfall, all commissions, board, collection costs and reasonable attorney fees, plus interest at 1.5% per month on unpaid amounts. The Sale may also refuse the buyer's future bids.

AS-IS SALE AND BUYER ACKNOWLEDGMENT

AS IS, WHERE IS. ALL HORSES ARE SOLD "AS IS, WHERE IS," WITH ALL FAULTS. NEITHER THE SALE NOR ITS MANAGEMENT, AUCTIONEER, STAFF OR AGENTS MAKE ANY WARRANTY, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AS TO ANY HORSE'S SOUNDNESS, HEALTH, TEMPERAMENT, TRAINING, BREEDING, AGE, PEDIGREE, PERFORMANCE RECORD OR SUITABILITY FOR ANY USE.

BUYER ACKNOWLEDGMENT. By bidding, the buyer acknowledges that he or she has had the opportunity to review, and has reviewed, all sale documents and materials provided for each horse purchased, including the catalog, videos, radiographs (X-rays), veterinary reports, genetic testing results and disclosures. The buyer relies solely on his or her own inspection and judgment, and not on any statement by the Sale, its staff or the auctioneer.

CATALOG INFORMATION. Catalog and online information is supplied by consignors. The Sale has tried to ensure accuracy but does not verify it and is not responsible for errors or omissions. Corrections must be submitted to the sale office in writing before the horse sells and will be announced from the block.

NO RETURNS OR REFUNDS. All sales are final and binding. No horse may be returned, and no refunds will be made by the Sale for any reason.

SALE PROCEDURES, FEES AND SECURITY

MINIMUM (UPSET) BID. No horse will be sold for less than $1,000. Bidding on each horse opens at no less than $1,000, and a horse that does not receive a bid of at least $1,000 is declared a no-sale.

RESERVE BIDS AND REPURCHASE. A consignor may set a reserve price by giving it in writing to the sale office before the horse enters the ring. Reserves are confidential. The consignor or its agent may bid up to the reserve. If the consignor's bid is the final bid, or the reserve is not met, the horse is declared repurchased ("RNA"), and the consignor owes the Sale a commission of 8% of the final bid. A consignor who bids above its own reserve and is the final bidder is treated as a buyer under these terms.

CANCELLED OR RESCINDED SALES. If a sale is cancelled or rescinded after the fall of the hammer, whether by agreement between buyer and consignor or because of the consignor's breach of these terms, the consignor owes the Sale a commission of 8% of the sale price or $1,000, whichever is greater, plus any veterinary costs the Sale incurred. This does not create any right of return; any rescission is between buyer and consignor as provided under Post-Sale Disputes.

EQUIPMENT MALFUNCTION AND RECORDINGS. If a bid board, display, sound system, online bidding platform or other equipment malfunctions, the auctioneer may pause the sale, reopen bidding or resell the horse. The auctioneer's call controls over any bid board or display. The Sale records the auction, and the auctioneer may use the recording to settle any bidding dispute; the auctioneer's decision remains final.

HIP NUMBERS. Each horse is identified by its assigned hip number, which must remain on the horse until it leaves the sale grounds. Horses sell in hip number order unless announced otherwise. Buyers are responsible for confirming the hip number of each horse they purchase.

HALTERS, STABLE RELEASE AND GATE SECURITY. Each horse sold will be furnished with a complimentary halter. No horse may leave the sale grounds without a stable release issued by the sale office after the buyer's account is settled. Gate security will check each release against the horse's hip number, and any horse without a valid release will be held at the gate.

SECURITY INTEREST. Until all amounts owed for a horse are paid in full and cleared, the buyer grants the Sale, for itself and the consignor, a security interest in that horse, its registration papers and any proceeds. The buyer authorizes the Sale to file a financing statement and, on default, to exercise all rights of a secured party under the Nevada Uniform Commercial Code, including repossession of the horse.

OFFICE FEE. A 5% office fee is added to the purchase price of each horse and included on the buyer's invoice. The office fee is waived for purchases paid in full with cash.

ONLINE PURCHASE FEE. Horses purchased through online bidding carry a 5% online purchase fee, added to the buyer's invoice. This fee is in addition to the office fee and, where it applies, the credit card convenience fee. No convenience fee applies to payments in cash.

POST-SALE DISPUTES

DISPUTES ARE BETWEEN BUYER AND SELLER. Any claim or dispute arising after the fall of the hammer, including claims about a horse's condition, soundness, health, pregnancy status, registration, description or disclosures, is solely between the buyer and the seller. Riata Showcase Horse Sale, its owners, management, auctioneer, staff and agents are not a party to any such dispute and have no liability for it.

SALE ACTS AS AGENT ONLY. The Sale acts only as agent for the seller. It does not own the horses offered and does not assume the seller's obligations.

SELLER PAYOUT AND HOLD. Seller proceeds, less commissions, fees and any amounts owed to the Sale, are paid no sooner than ten (10) business days after the Sale, so that buyer payments can clear. No proceeds are paid on a buyer payment that has not cleared. If a buyer gives the Sale written notice of a dispute about a horse within those ten (10) business days, the Sale may continue to hold that horse's proceeds until (a) the buyer and seller give the Sale joint written instructions, (b) a court orders their release, or (c) twenty (20) calendar days after the Sale pass without either party filing legal action, after which the proceeds are paid to the seller. While holding funds, the Sale acts only as a neutral stakeholder: it does not decide the dispute, pays no interest, may deposit the funds with a court, and may deduct its reasonable costs and attorney fees from the funds held.

SELLER WARRANTY OF TITLE. Each consignor warrants that it has clear title to the horse, free of liens, and the right to sell it. The consignor agrees to indemnify the Sale against any claim arising from a breach of this warranty.

RELEASE AND INDEMNITY. To the fullest extent permitted by law, buyers, sellers and everyone attending agree to hold harmless and indemnify the Sale against any claim, loss or expense, including attorney fees, arising from (a) a dispute between buyer and seller, or (b) injury, death or property damage connected with the Sale, its facilities or any horse, however caused.

TAXES

NEVADA SALES TAX. Any horse purchased that is picked up directly after the sale in Nevada is subject to Nevada sales tax. The tax will be calculated at the combined state and local rate in effect for the delivery location and added to the buyer's invoice unless the buyer provides a valid Nevada exemption or resale certificate at checkout or the buyer attests that the horse is being delivered by the seller or a transport company to another state.

OTHER TAXES. Buyers are responsible for any sales, use or other taxes due in the state where a horse is delivered or kept. The Sale may collect any tax it is required by law to collect. Buyers claiming an exemption must present the proper certificate before payment; taxes collected will not be refunded for certificates presented later.

HEALTH, BRAND INSPECTION AND REGISTRATION

HEALTH PAPERS. Every horse must have a current negative Coggins (EIA) test on file with the sale office. Health certificates are furnished by the seller. Out-of-state buyers must confirm the entry requirements of their destination state with their veterinarian.

BRAND INSPECTION. Horses changing ownership or leaving a brand inspection district must have a brand inspection as required by the Nevada Department of Agriculture or the destination state. Any inspection fee is paid by the buyer.

REGISTRATION PAPERS. Registration certificates, signed transfers and any other breed association paperwork are the seller's responsibility. Buyers must give their full name and address exactly as it should appear on the transfer. Transfer fees are paid by the seller. Once payment clears in full, the Sale sends the papers directly to the breed association (such as AQHA or APHA), and the buyer receives the certificate when the transfer is complete. No papers are released on sale day, without exception.

INSPECTION, TESTING AND BRED MARES

PRE-PURCHASE INSPECTION. Buyers may inspect any horse before it sells and are encouraged to do so. With the

consignor's consent, a buyer may have a veterinarian of their choice examine a horse, including radiographs and bloodwork, at a reasonable time before the Sale, at the buyer's risk and expense. Any veterinary statement the Sale makes available is provided for convenience only and is not guaranteed.

RADIOGRAPHS (X-RAYS). Radiographs are available only through the Sale's approved online repository, and only to a licensed veterinarian retained by a prospective buyer. The Sale provides no radiograph reports or interpretations. Images may not be downloaded, screenshotted or shared with anyone other than the buyer and their veterinarian. Images are removed after the Sale and are not available after purchase. Misuse may result in loss of access, removal from the Sale or a ban from future sales.

GENETIC TESTING. Any genetic testing results provided by consignors are listed on the horse's catalog page or announced. Results are for information only. The Sale does not perform, verify or guarantee testing, and the buyer is solely responsible for interpreting results.

BRED MARES. Pregnancy status and breeding information are provided by the consignor. Any live foal guarantee or rebreeding offer is solely between the buyer and the stallion owner or seller. The Sale makes no guarantee of pregnancy or live foal.

MEDICATION. Consignors must disclose any tranquilizer, sedative or other performance-altering substance given to a horse within 72 hours of the Sale. The Sale may, at its discretion, draw blood for later testing; any resulting claim is between the buyer and seller.

LIABILITY RELEASE

RELEASE AND COVENANT NOT TO SUE. In consideration of being permitted to attend, register, bid, consign or sell at the Sale, or to enter or use the South Point Equestrian Center or any associated facility, each buyer, seller and attendee, for themselves and for anyone under their supervision or control, including minor children, to the fullest extent permitted by law, HEREBY RELEASES, WAIVES, DISCHARGES AND COVENANTS NOT TO SUE the Released Parties for any claim for personal injury, death, or loss of, damage to or destruction of property, including livestock, arising out of or related to the Sale, WHETHER OR NOT CAUSED BY THE NEGLIGENCE OF THE RELEASED PARTIES or of any participant, volunteer, employee or spectator, including negligence in the design, staging, supervision, maintenance, presentation, conduct or sponsorship of the Sale.

KNOWN AND UNKNOWN RISKS. Participants acknowledge that horse-related events and the use of the facilities involve substantial, serious and real risks, whether known or unknown, foreseen or unforeseen, apparent or not, and fully accept those risks. Participants agree to make themselves aware of the sale ring, barns, alleys and other areas they enter, to assess any conditions or potential dangers, and to use extraordinary care in their own activities and those of anyone under their supervision.

INDEMNITY FOR GUESTS AND MINORS. Each participant agrees to indemnify, defend and hold harmless the Released Parties from and against all claims, demands, losses and costs, including attorney fees, arising out of or related to their participation in or attendance at the Sale, including claims asserted by or on behalf of any minor or other person under their supervision or control.

EFFECT WITHOUT SIGNATURE; OTHER RELEASES. This release applies whether or not a separate release is signed. Entering the sale grounds, registering for a bidder number, consigning or bidding is acceptance of it. Any Riata Buckle event release a participant has signed remains in effect, and where both apply, the provision giving the Released Parties greater protection controls.

BINDING EFFECT AND INTERPRETATION. This release binds each participant's spouse, legal representatives, heirs, successors and assigns, and is to be interpreted and applied in the broadest and most comprehensive manner in favor of the Released Parties. Each participant confirms they have full authority to accept these terms and that no oral representations, statements or inducements have been made apart from these written terms.

RIGHT TO REFUSE ENTRY. Riata Buckle, LLC, and the Sale may refuse entry to, or remove, anyone for any reason they reasonably deem appropriate, including violation of these terms or venue rules, in which case all fees paid are forfeited.

REMOVAL, LIABILITY AND GENERAL TERMS

REMOVAL AND BOARD. Purchased horses must be removed from the sale grounds by 5:00 pm the day after the sale unless re-rental arrangements are made. Horses left after that are boarded at the buyer's risk and expense.

TRANSPORTATION. Delivery and transportation are the buyer's responsibility, risk and expense, including any injury, illness or death in transit. The Sale or a seller may help coordinate hauling as a courtesy but does not endorse any transporter and accepts no liability for its services.

INSURANCE. The Sale does not insure any horse. Coverage effective at the fall of the hammer is available on site from Covered by Cory; 940-241-9730. Buyers who do not insure accept all risk of loss.

ASSUMPTION OF RISK. Horses are unpredictable and can cause injury. Everyone entering the sale grounds, barns or arena does so at their own risk and must use caution at all times. The Sale is not liable for injury to people, animals or property arising from the inherent risks of equine activities, except as otherwise required by law. Children must be supervised at all times.

PHOTOS, MEDIA AND LIVESTREAM. The Sale will be livestreamed, recorded, archived and replayed. By attending, consigning or bidding, participants grant the Sale a perpetual right, without compensation, to use their name, likeness, voice, photos, video and interviews, and footage of their horses, for marketing, livestreams, replays and promotion.

MEDIA LICENSE. The rights granted in the paragraph above extend to Riata Buckle, LLC, WSTR and their designees, and include a worldwide, royalty-free license to use participants' biographical information, and images and recordings of their horses, in any media now known or later developed, without further notice or compensation.

GOVERNING LAW. These terms are governed by Nevada law. Any action involving the Sale must be brought in Las Vegas, Nevada.

ENTIRE AGREEMENT AND SEVERABILITY. These terms, together with block announcements, are the full agreement. If any provision is found unenforceable, the rest remains in effect.

DD Wigglin Irishmen 6203692	DD Docs Irish Badger	Paddys Irish Whiskey	Peppy San Badger	
			Doc's Starlight	
		My Little Sugar Babe	Sons Doc O Sugar	
			Miss Dynamite Babe	
	DD Miss Wiggie	Trace Of Frost	Pat Cowan	
			Trace Of Roan	
		Miss Sally Sensation	Sensation Cash	
			Ms Baron Wiggle	

NOTES: There is no better way to describe Wigg than to say he is a Super-Star. He is more capable and further along than Cody the horse Quinn Kesler hauled to the NFR when Cody was 4 years old. He is one of the best minded and capable horses that has come from the Double Dollar in the last 30 years. He is equally capable on both heading and heeling, scores exceptional, plenty of speed for any number of roper, gathers in the corner and faces well to finish the run. On Heeling, he reads the corner, never cheats you and has a big stop to stop the run. It is hard to find a horse with this much capability and yet has an easy going disposition. No matter what the run is he quietly walks back to the box. For Wigg everything comes easy to him, he was easy to train and always much further ahead than his contemporary group. The time spent hauling to jackpots all year has continued to showcase his talent, consistency and willingness. Proves himself every time he steps into the arena. He like all the horses has been used since he was a 2 year old on the ranch, feed lot, branding pens and in the mountains. He is well accustom to jumping in the trailer and doing what ever the day brings with ease. Any roper from a #4 to #10 would be proud to have Wigg at the top of there string. Riata Stallion Incentive.

NOTES: Opportunities to purchase a horse with Garfield's pedigree, proven earnings, versatility, and reputation are exceptionally rare. Cats Fancy affectionately known as 'Garfield' is a horse who's presence commands attention. This striking April 2015 sorrel gelding with over $77,000 in QData performance earnings to back it up. Garfield has established himself as a consistent winner and trusted partner. Garfield has earned his reputation on both the heading and heeling side. What separates Garfield from many accomplished performance horses is his remarkable combination of talent and temperament. He possesses the natural ability and competitive drive to win, yet remains honest, kind, and dependable every day. He is the type of horse that gives his rider confidence, whether competing under pressure or simply enjoying a day of riding at home. Garfield is seasoned, well traveled, and knows his job. His sound mind, excellent manners, and professional demeanor make him a pleasure to own. For ropers looking to step into the winner's circle, Garfield offers proven credentials and immediate capability. For families and horsemen who value reliability and character, he provides the confidence that only comes from years of experience and success. Horses with Garfield's pedigree, earnings record, versatility, and disposition seldom become available. Whether your goal is to continue competing at a high level in the roping arena, add a proven breakaway mount to your program, or own a distinguished son of High Brow Cat with an impressive performance resume, Cats Fancy represents a unique opportunity to acquire a horse that has already proven himself and still has many productive years ahead. Garfield is the kind of horse families/competitors spend years searching for a talented, accomplished athlete with the pedigree, experience, and disposition to make an immediate impact for his next owner. GARFIELD IS ONE COOL DUDE. Riata Stallion Incentive.

NOTES: Metallics Gotta Gun, Reid is a horse we've enjoyed owning the last couple of years, and we feel like the Riata Showcase Sale is a great place to offer him. This 2021 AQHA gray gelding is by the Riata stallion, Metallics MVP. He's been used the way we like to make one, outside on the ranch first. From gathering cattle to dragging calves, he's seen plenty of real work that's given him a solid foundation. He's broke, rides around soft, has a good turnaround, a big stop. He's easy to ride, stays willing, and is the same horse every time. Last winter he made the trip to Arizona with us, where he made a lot of runs with numerous people roping on him. Since then, we've hauled him to jackpots. Reid scores well, leaves flat, and gives you a consistent look every run. We think he has all the tools to continue making a nice switch-ender. He's gentle, quiet, and honest. He's the kind of horse you can enjoy every day, whether you're using him on the ranch or taking him to a jackpot. We believe Reid has a bright future ahead of him! Pre-purchase exams are welcome and encouraged. As always, we welcome you to our place to try him before the sale. 940-268-6850. Riata Stallion Incentive, Royal Crown, Gold Buckle.

NOTES: We purchased this gelding from Alvin Childress manager of Holiday Auto Group. This four year old gelding is the kind that catches your eye the moment he steps into the arena. He was started in the working cow horse program, but has found his place in the roping arena where his athleticism and natural talent shines on the heel side. This beautiful red roan gelding is extremely broke, will ride around, and drag his butt. He is quiet, gentle, and consistently the same everyday. If you are looking for one to haul to the futurities or jackpots here he is. We only consign to a few sales a year, we bring our elite horses, we do not bring culls. Riata Stallion Incentive.

NOTES: We have raised this unique, good looking gelding since he was a yearling and have brought him along the right way. Now 4 years old, he has the talent, mind, athleticism, and natural cow sense to become a standout rope and performance horse at the Riata Stallion Incentive and other rope horse futurities! Having started Guns in the cow horse, he quickly showed a natural ability to read and rate a cow, stay collected, and stop hard. While he could have easily gone on as a cow horse futurity prospect, his true potential has really shined in the rope horse arena. Time off does not affect his kind, quiet disposition. He is quick footed (yet forgiving to miscues), talented, and naturally strong on both ends, making him an exceptional prospect for next year's 5-year- old rope horse futurities. He has been developed on a solid foundation, confidently switches from heading to heeling, and is also a sharp breakaway horse. On the head side, he is flat out of the box, hunts the cow at a natural rate, has plenty of speed, stands up in the corner with a solid move, and has a very showy face. On the heel side, he lets you see feet throughout the run, in position, and stands up until you deliver with a square stop and is strong from the horn. This gelding will continue to be hauled to ropings leading up to the sale and should be a strong contender for 5-year-old futurities in either the Open or Non-Pro. Whether you are looking for a serious futurity prospect, a versatile switch-end rope horse, or a talented young horse with a bright long term career ahead, he deserves a hard look. He is very capable and has the demeanor of handling a first time or novice roper. He is more than just an arena horse, and was raised in the mountains and pasture. He has been used extensively on the ranch to gather, sort, doctor, brand, and cover country. Has been used for hunting season guiding and for packing, crosses all water and obstacles. Gentle, kind, and easy to be around, he has an old soul mind that is rare in a horse this young. He is quiet and patient enough for a novice or older rider to enjoy on the ranch or trail, yet talented enough for a competitive rider to take and win on. Let's chat about Guns 406-381-2347 videos at TurnerPerformanceHorses.com or keep up with him on our socials at Turner Performance and Versatility Horses. Riata Stallion Incentive, NRCHA Snaffle Bit, IQHA Ranch Horse, South Dakota Stallion Stakes.

His is a very good horse, with a lot of talent. Cidmarron is by Pepcid, the late Tongue River Ranch stallion and proven $1 million plus sire known for producing horses with bone, ability, cow sense, athleticism, and the kind of minds people appreciate. Cidmarron carries those qualities well. Cidmarron has the signature Pepcid style in the way he travels, he is smooth as glass, if you have ever rode a Pepcid you know exactly what I am talking about. He has been hauled on the heel side by Haze Bruce and has seen plenty of country and commotion. From team ropings to long days helping clean out arenas and doing whatever was needed, Cidmarron has been there and handled it like one should. He rides and slides, stays quiet, and is willing every time. Outside of the arena, Cidmarron has done real ranch work. He has been used dragging calves to the fire, sorting pairs, gathering big pastures, and handling day to day jobs. He is confident outside, useful in tight places, and steady enough to trust when there is work to get done. Cidmarron is gentle and dependable. Whether you want one to take to the ropings, ride outside, or keep handy for ranch chores, he is the kind that fits a lot of jobs and is ready to go on with someone. PERFORMANCE RECORD: Earner of $55,420 and 20.5 AQHA points. 2026: 5th Riata Buckle #10.5 Heading; 4th Riata Buckle REWARDS Champ #10.5 Heading.

NOTES: LTE $55,420, AQHA pts 21.5. Jack is a champion rope horse. A proven show horse. A program building stallion. Jack is an established switch-end rope horse who has competed successfully at the Riata Buckle for three consecutive years. In 2026 alone, he earned more than $45,000 at the Riata Buckle, placing multiple times and proving his ability where it matters most, by the clock. Jack has also been hauled extensively to World Series of Team Roping events, competing across divisions, including the 2025 World Series Team Roping Finale. As a head horse, Jack stands quiet in the box, leaves flat, has the speed when asked and the rate when needed. He gains on steers, rates naturally to his spot, and stays strong through the horn while looking for the face. He is the kind of horse that gives a roper confidence in the box and an honest chance to win at the other end. As a heel horse, Jack is no-nonsense and flat-starting. He runs free, allowing the heeler to stay in time and see the steer all the way through the run. He finishes with the kind of correct, dependable stop that puts the heeler in position to make the shot. He is an AQHA Register of Merit show horse, accomplished multi-event competitor, and stallion with his first foals on the ground. Jack has earned his AQHA Register of Merit competing in Heading, Heeling, Breakaway Roping, Barrel Racing, and Performance Halter. At the 2025 AQHA World Show, Jack competed in both Heading and Barrel Racing, finishing Top 10 in Open Level 2 Junior Barrel Racing and Top 25 in Open Level 3 Heading. He is qualified for the 2026 AQHA World Show in Heading, Heeling, and Breakaway Roping. Jack's Utah Quarter Horse Association record further demonstrates his versatility. In 2025, he earned UQHA Year-End Head Horse Champion and Heel Horse Reserve Champion honors and was the UQHA Reserve Champion Junior Horse of the Year. He followed that success in 2026 as the UQHA Year-End Breakaway Champion and Year-End Heading Reserve Champion. Jack has also competed at the Howard Pitzer Invitational and is recognized as an HPI Stallion. Jack's value extends beyond his own record. His first foals arrived in 2026 from a selective breeding program. Jack is homozygous roan, guaranteeing a roan foal, either bay roan or buckskin roan— and is 6-panel negative. With the 2026 World Series Finale still ahead of him before sale day, Jack has the opportunity to add even more to his lifetime earnings and impressive record. Riata Stallion Incentive, Howard Pitzer Invitational Eligible (offspring).

His willingness and gentleness make it easy to adapt to different riders and environments. He is truly ahorse that has been-there-done-that in every setting, from roping, trail riding and ranch work. NOTES: Win under the judges and against the clock! This flashy 5-year-old palomino gelding is bred exactly how we like them, by the leading sire MP Jet To The Sun and out of a High Brow Cat bred mare. "Dijon" has the pedigree, the look, and most importantly, the talent to back it all up. We have had a lot of success with his brothers, and he might be the best yet! Rodeos, Futurities, Ropings. He is THE goods as a head horse, also a heel horse. Quick and flat across the line, he has the timing that they have to be born with; he scoots without kicking to a steer, yet easily rates off, with a good move across the pen and big finish! He has the feel everyone is looking for in a highly sought after head horse. He's not average, he is a bar setter. That being said, if you're a lower number looking to up your game, Dijon will teach you. He has the athleticism and cow sense you expect from this cross, paired with the mind and willingness to make a serious rope horse. A family guy too, Dijon has been ridden by many riders, he is a smooth ride, neckreins, moves off leg pressure, and rides in the bridle. He is a true, real world ranch horse with the experience and handle to go to work, having been doctored, sorted, and branded. Whether it is covering country, handling cattle in close quarters, or stepping up to do a job when asked, he has the cow sense, athleticism, and a willing attitude to be a valuable asset on the ranch. When the work is done, he is just as enjoyable to ride outside the arena. Arizona. This upper level head horse is ready to go and win! NOTES: Odin is an 11-year-old, 15.3H gorgeous bay gelding and the kind of head horse everyone is looking for. He has the speed and athleticism to compete at the open level, paired with an exceptionally quiet, gentle disposition that makes him truly special. He's a seasoned, finished head horse that has been hauled everywhere from the Las Vegas Finale to the Riata in Oklahoma, along with local jackpots in between. He's seen the big setups, knows his job and handles pressure with the confidence you'd expect from a horse of his caliber. What really sets Odin apart is his mind. My 5-year-old daughter and 8-year-old son ride him between runs, and then you can back him in the box and have all the run, speed and athleticism you need to compete at a high level. Finished. Seasoned. Healthy. Gentle. Proven. If you're looking for a legitimate top-end head horse that you can go win on and still trust with your family, Odin checks all the boxes. NOTES: Red Rifle is ready to take any level of roper to the pay window! An own son of The HP Dash Ta fiesta making him Riata eligible who is completely paid up. As a 6 year old he is a seasoned well trained head horse that stands like a statue in the box, leaves flat and runs hard to the cow! He rates well and will stay there to let you dally. Rifle handles cattle really good and faces fast and easy. This horse is a proven winner. Rifle is gentle to be around has the ground manners of a perfect gentlemen. He can be stalled or turned out with a herd of horses without any issue or sit for weeks at a time without getting fresh. We've never had him offer to buck, hump up or do anything mean. We've ridden him at the WS ropings from the 14 down with lots of jackpot earnings around the house. He also made the short-go this year in the Riata championship 12. His ability to be the same horse in town as he is in the practice pen is very impressive. We've also ranched on him thoroughly where he's great to brand and sort on. Rifle will ride out on the trails as well. To put it simply, this a really nice all around horse that should fit a low numbered header up to the high number and we are proud to present this horse to the public. We'd love to tell you more about him or come give him a try. FMI call: Sy York- 208-550-9783. Riata Stallion Incentive.

NOTES: This year we have chosen to put in a younger head horse that has made a statement with us. Not very often do we offer young head horses, but we feel like the Riata Showcase Sale is the place to do so and Toyed is the right horse for the job. With the added opportunities the Riata Stallion Incentive program provides for horses six and under, we believe he's the kind that can be both a competitive edge and a smart investment. Toyed is good minded and easy going. He is fancy broke and very gentle. Toyed scores like one should every time. He runs to the steer, rates spot on with great timing and has a natural move that I strive for all of our horses to have, then he faces well. Let's discuss the move that I like to instill in our horses. Some horses do it well and some aren't as athletic and make it a little harder. Not Toyed, he has it down perfectly and he loves doing it. You can leave this horse off for as long as you want and he will be the same horse as the last time you rode him! Toyed has been used outside and knows a hard days work. From dragging calves to gathering big pastures he is enjoyable no matter what. The hard part has been done. Toyed has the foundation, the talent, and the mindset to continue progressing while taking his next owner to the pay window for years to come. Now you just get to enjoy this horse and let him help you to the pay window! Toyed is by the buckskin Riata stallion, Wranglered. He stands 15 hands tall. Pre-purchase exams are welcome and encouraged. As always, we welcome you to our place to try him before the sale. 940-268-6850. PERFORMANCE RECORD: Earner of $2,400. In 2026: finalist Riata Buckle #10.5 Heading.

NOTES: Stevie is sired by the legendary Stevie Rey Von, a $30 million sire whose offspring continue to make their mark in the roping industry. In 2026, Stevie Rey Von was the leading sire at the Riata Buckle, with his offspring earning an incredible $173,000 in a single week. With that kind of proven performance and genetics behind him, Stevie comes from a bloodline that speaks for itself. Stevie is the kind of horse that dreams are made of. He is an exceptional four-year-old who has already proven himself in the jackpot pen and continues to get better every time we haul him. He is hauled, seasoned, and won on, with a great mind and an outstanding attitude. Stevie is excellent in the box, rides out quietly, and is great to take out of the arena if you have a job ranching or trail riding. He is incredibly laid back and easy to get along with, making him a horse that could be enjoyed by a wide range of riders. We recently took Stevie to the Old West Futurity in Heber, Utah, where he made it to the Short Round in the Limited 4-Year-Old Open Finals. He was ridden by the only girl to enter the Open Division, which made the accomplishment even more special. Stevie has everything we look for in a young rope horse. He handles cattle naturally, has great rate, and faces exceptionally well. He is athletic, honest, willing, and has the kind of mentality that makes you want to keep putting him in the trailer and going. Stevie is truly a special horse with a very bright future. He has been a big part of our program, and he means a tremendous amount to us. It is hard to put into words how much we believe in this horse. Stevie is the real deal, a talented young gelding with the breeding, ability, mind, and heart to go on and make someone very proud. He has the foundation, experience, and potential to continue making a name for himself in the roping pen. For more Info please Contact 480-278-0079. NOTES: "Two Jumps" is the OG of the St Clair Performance Horse program. Sired by one of the top producing rope horse sires, he's doing exactly what he was bred to do., WIN! Two Jumps is the winner everyone needs when they back in the box for big money. He thrives off pressure and big money. We've also used him for literally everything horseback on the ranch and he is a great pick up horse. In the arena, he's been hauled all over the country for the big ropings and the Great Lakes Circuit rodeos. I qualified for the Circuit Finals on him where we won the average and $8,200 that is not included in his recorded LTE. Two Jumps can be and has been in any number of roping and win. He has done so with multiple riders. His record speaks for itself. He'll score, run like the wind, natural draw to the cow, handle and pull the steer, and very easy to heel behind. This kind of horse is not offered very often, don't miss out. Riata Stallion Incentive, Royal Crown, Gold Buckle Breeders and paid into Ropers Classic for life. NOTES: Anchor is one of a kind in so many ways: his disposition, discipline (1 horse trailer is all you'll need), and unique look! As a prized rope horse, Heelers, Headers, Breakaway, and calf ropers perk on Anchor. One of many things you will appreciate about Anchor is that when he has time off, he stays quiet, calm, and cool. If you need to win, we have the horse! Lower numbers have roped on him. Yet, he is catty enough for elite ropers and has the run, rate, and talent for the upper levels. He is solid in the box, leaves smooth and flat, effortlessly takes you to the cow, and rates off and finishes with a BIG stop. A safe bet for the weekend warriors, big-paying Riata Buckle Ropings, multi-event High School Rodeo, or the horse that will take you to the pay window at the rodeos. A horse with the correctness and style to win at the Futurity horse shows! And did we mention that he is an excellent size to start at the World Series setups? We really cannot speak higher of Anchor. Loaded with cow, whether you're tracking one across the pasture, at the versatility ranch show, at the brandings, sorting in the pens, or turning back in the cutting pen. He is FUN! Anchor is the ticket, from the arena to the ranch to the mountaintops. To add, he is an exceptionally broke horse, he has all the bells and whistles but isn't too sensitive. He would make an upper-level Ranch Versatility horse. A straightforward neck rein moves off leg pressure, backs, and side passes smoothly. He is a very soft loper, good-leaded, has a smooth trot, and stops well. He's also a horse you can depend on on the trails and on the ranch. He is a point-and-go and easily crosses water, bridges, and logs. He has impeccable ground manners, gets along well with other horses, and is quiet kept solo. Sound, has no vices, is UTD on worming, dental, vaccines, and farrier. We would love for you to meet Anchor; please call us to schedule a time to ride and meet him yourself. 406-381-2347, located right outside Wickenburg, AZ. If you're looking for that versatile, money-winning, proven been-there-done-that horse that is there for you when you need him, no matter the task, that's Anchor! A Riata Buckle sale highlight! Riata Stallion Incentive, Stallion Stakes.

NOTES: Every year we strive to offer horses that represent the best of what we do, and this 4-year-old dapple gray gelding is no exception. He is the kind of young heel horse that is difficult to find and even harder to part with. Confident in the box, he leaves flat, runs with plenty of speed, rates naturally, and gives you the same look every trip. He has the timing, feel, and cow sense that can't be manufactured, allowing him to make the run look effortless. His resume extends far beyond the arena. As a WRCA Ranch Rodeo money earner, he has proven himself where it matters most, doing a real job under pressure. He's the kind that can go to town and compete, then come home and put in a full day's work without missing a beat. That versatility, combined with his exceptional mind, is what separates him from the rest. He's exceptionally broke with all the feel you'd expect from a Wilson Cattle horse. Soft in the bridle, stylish in every maneuver, a big stopper, smooth turnaround, and collected circles. He is gentle enough to enjoy every day, yet talented enough to continue climbing the ladder at the highest level. The foundation has been laid, the hard work has been done, and his future is exceptionally bright. Horses with this pedigree, proven ability, elite mind, and striking presence rarely become available. We are proud to offer him for the 2026 Riata Showcase Sale! Pre-purchase exams are welcome and encouraged. As always, we welcome you to our place to try him before the sale. 940-268-6850. Riata Stallion Incentive.

PERFORMANCE RECORD: Earner of $540. In 2022: 5th Royal Crown Rock Springs Judged 4-Under Heading Round 1 Open.

NOTES: You Down With OTP is a 2018 gelding sired by the great One Time Pepto out of a Nu Chex to Cash mare. He stands 15 hands and weighs 1,250 lbs. He's got good bone and foot, is heavy muscled, and built to last a lifetime. Sketchy is as finished of a head horse as you'll find. He has won over $160K in the two years. Sketchy has cashed in checks from WSTRC ropings, PRCA rodeos, slide jackpots, and amateur rodeos. His most notable win was at the 2025 WS Finale #10 where Breanna and Sketchy won 2nd place and split $280K. He scores, runs hard, and has a lot of rate. He moves off his hind end and has a smooth face. He runs flat, stays out of your way, and is honest and pure every single run. Sketchy is easy and truly just a winner. Sketchy was first trained to be a cowhorse by Ricky Nicollazi where he also won money before moving over to the roping arena. He then went on to Andy Holcomb where he was trained in the heading and spent his 4yr old year showing at futuritys where Sketchy had more success. Despite the name, Sketchy is gentle. You can let him sit in the pen for months at a time, catch him, and haul him straight to the jackpot. He's never bucked a day in his life, and you can always count on him to work, whether he's being ridden once a day or once a month. He's alert and pays attention to his surroundings, but he's always kind and respectful. He stands like a gentleman to shoe, hauls great, and is good to bathe, clip, etc. Sketchy is sound, healthy, and ready to back in the box tomorrow at the biggest roping you could get to. This is a tough one for us to let go of, he's been our number one for several years now, Sketchy has been a tremendous blessing and we are extremely proud to offer him to the public. Feel free to reach out anytime with inquiries about Sketchy! 208-351-6607. Riata Stallion Incentive.

NOTES: His name is Fonzy, and he is one cool cat! He is as reliable and as classy as a Swiss made watch, and you won't find one more honest, gentle, or kind hearted. Fonzy is a true rarity. Fonzy has always been fun and handy for us to have around, which made it easy and enjoyable to take our time with him, and that has definitely paid off. He has never taken a lame step and can go barefoot or shod. In the roping pen, he is solid, uncomplicated, and fun to ride. He is easy in the box and scores great all day everyday. He watches a cow, and will never put you in a bad spot. He goes to the same spot every trip and is smooth, easy, and flashy moving through the corner and face. On the Heel side he is smooth and solid, finds the inside and is easy to catch two feet on. You can tie on or dally, doesn't matter to him. He has been hauled, ridden, and won on from the higher number ropings down through the #10s, and he continues to get better every time he leaves home. Whether you want to head or heel, the transition is effortless. Put him on either end and you can count on him to know his job and do it right. But what truly sets Fonzy apart is everything he is outside of the arena. Catherine claimed Fonzy as her go to horse for gathering and branding cattle not long after we got him as a two-year-old. He has many miles of real ranch experience behind him. Fonzy was simply born gentle. We truly believe just about anyone can ride and enjoy him. Whether you are gathering cattle, branding, trail riding, heading or heeling steers, or putting a first-time rider in the saddle, he is the same trustworthy gentleman every time. Fonzy has given more children and adults their very first horseback ride more than any horse we have ever owned, and there is no greater testament to the confidence and trust he has earned at our place. Fonzy is the best of all worlds, he has the size, looks, pedigree, ability, and training to turn heads, but it is his mind, honesty, and gentle nature that make him truly special. Fonzy is the kind of horse you spend years trying to find and never want to replace once you have him. Feel free to contact us with any questions, or to come ride him before the sale. Riata Stallion Incentive.

NOTES: Hero, 2019 15HH Red Roan Gelding. Hero is the right kind! He has the look, he's broke, gentle, and a proven winner. We have hauled Hero to team ropings consistently for the past two years, and he has won a lot of money on both the head and heel side. He is really nice to rope on, very broke, and solid in the box. He has enough ability to go win at the mid to higher number ropings, while still being gentle and user friendly enough for just about anyone to get along with. Outside the arena, Hero is just as enjoyable. He is easy to keep, easy to be around, and a great ranch and trail horse. His pedigree speaks for itself. Hero is by Bet Hesa Cat, an NCHA World Champion and leading performance horse sire, and out of Hanna Cee Lena, by Boonsmal Cee Lena. His pedigree includes High Brow Cat, Bet Yer Blue Boons, Peptoboonsmal, and Haidas Little Pep. Proven head horse, proven heel horse, money winner, gentle, broke, ranch & trail experienced. If you're looking for one horse that can do about everything and is good enough to go win on, come take a look at Hero. Paid up in the Riata Stallion Incentive. Eligible for all other rope horse incentives including: Royal Crown, Gold Buckle, Old West, and ARHFA. Eligible for most NRCHA, and other Cow Horse incentives.

NOTES: Finished 6th in the Open at the 2026 Riata Championships. This beautiful buckskin gelding is the kind that turns heads wherever he goes. This gentle 15.2 hand gelding is quiet enough for the entire family. But, don't be confused, he is an athlete, extremely broke, and has the natural speed and rate to put the rider in position every time. We started this four year old very slow and quiet. We sent him to Dustin Morgan to work on the ranch and rodeo on for the last seven months. If you are looking for the next winner here he is, unbelievable speed, finish the run and face on a dime. Scores consistently, this gelding has all the tools to excel on the head side and continue developing into an elite head horse. People drive all over the country looking for a horse like this. We only consign to few sales each year to bring our elite horses, we do not bring culls. Riata Stallion Incentive.

NOTES: McQueen has the presence that makes people take a double look when they see him. His Bay Roan color, quiet attitude and correct build make him highly sought after for both the looks and his demeanor. He is not only exception in the roping arena but also on the ranch in the feed lot and in the mountains. He makes it very easy to fall in love with his personality, work ethic, and disposition. He has the speed and athletic ability and disposition to handle everything from the #4 up to the open. And yet is one of the favorites of the grandkids to ride helping on the ranch. Due to exception speed, scoring and stop it wouldn't take long to make him a very nice breakaway and calf horse. He is sure footed in the mountains, and is equally as good both heading and heeling. He has been hauled to many jackpots and has proven himself by doing his job every time. Low number ropers appreciate how he builds confidence and is easy to rope yet he has the capability to be roped on in the PRCA. McQueen transitions easily between ranch tasks and arena work. His willingness and athleticism make him dependable for roping and daily ranch work. He adapts to different riders and situations with ease, which adds to his value in any program. His versatility allows him to shine in multiple roles without losing his calm, steady demeanor. McQueen stays quiet around other horses. He loads with ease and hauls calmly and behaves well in every environment. His kind personality and calm nature make him a horse that leaves a lasting impression and makes him enjoyable to be around. Riata Stallion Incentive.
